FROM THE PASTOR

Friends,

Greetings from Masonville! I'm writing this note during a week that began with temperatures in the 70s and looks to end with several inches of snow on the ground! I'm told that radical change like that is typical for late winter in Colorado. I imagine the promise of change is true in every other facet of life as well.

I'm so very excited to begin the season of Lent together. You know, Lent is a season of change as well. It is a season in which we are invited to dive deeper into the mystery of Holy Week, Good Friday, and Easter. It is a season of preparation to enter into the tremendous mystery of the Resurrection and the promise that God's Love triumphs over evil. It is a season of preparation and of change.

Over the next 6 weeks we get to get ready to stand in front of the empty tomb, and to hear the words spoken by the men dressed in white who proclaim, "He is not here, but he has risen." The Church has for thousands of years recognized that we need to prepare to hear those hopeful, world changing words.

Some of you will engage in practices where you give something up for the season as an act of discipline and preparation. Others of you might take on a new practice where you engage more deliberately in service to one another, or you focus on a renewed commitment to prayer. Regardless of what you do, or do not do, my prayer for you is that over these next 40 days you find yourself following in the footsteps of Jesus.

You know that the earliest Christians were called *Followers of the Way*. Lent is really just a season of heightened preparation to follow after Jesus. As we make our way together through this season of change, in all its ups and downs, remember that just after the angels said to the women, "He is not here," they ran to tell the disciples and then they followed Jesus to Galilee, Jerusalem, Rome, and even all the way to Masonville, Colorado.

I'm so grateful the journey continues! Blessings to each of you as you make way into this holy season of change.

Grace and Peace,

Joseph

Rev. Joseph Moore

FROM THE SESSION

A HEALTHY CHURCH BY THE NUMBERS!

Each year, all Presbyterian churches submit an annual statistical report to the national Presbyterian Church that describes membership and finances. For Buckhorn, it's not only a good time to look back, but also to feel good about our future! Here's a snapshot:

- Our membership last year was 88, and has held steady between about 80-95 since 2010. Last year we gained some families with infants and toddlers, which is especially gratifying. We have about 30 non-members who also attend on a regular basis.
- Our average Sunday attendance during that same period has increased from about 45 to 65 each Sunday, a very healthy percent of our membership.
- The number of children has increased dramatically since we began to have Kids Church – coordinated by Kim Oglesby – during the worship service, to about 8-9 per week. It's pretty variable, sometimes 1-2 and other times 10-15, but we thank God for each one!
- There are about 8-9 faithful Adult Bible Study participants, who meet at 9am each Sunday morning under the leadership of Moneta (Mo) Harmon.
- Our Vacation Bible School (June 5-9 this year) serves over 30 youngsters from the congregation and community each year.

SESSION APPROVES PAID NURSERY

POSITION – As a result of the increase in young families, we are looking for one or two people with child care experience to staff the nursery on Sunday mornings from 10am-

noon. If you know someone who might be interested in the job, please contact Elder Robert Kroiss (817-727-9845, rkroiss@gmail.com).

CHILD PROTECTION POLICY: Session is also working on a formal child protection policy that will assure parents that their children are being well cared for when they come to Kids Church or Vacation Bible School.

OUR 2016 YEAR END FINANCIAL SITUATION:

We met our projected budgeted income for 2016. Thank you for your pledges and other contributions that made this possible. Our *One Great Hour of Sharing* and *Joy Offerings* were very generous and furthered the mission of our church. It is a joy to share our blessings with others this way.

Thank you also for the pledge cards returned during our Stewardship Program for 2017. We received 24 of the 60 cards sent out for a total pledge of \$53,320. This was the starting base for our budget for 2017, but this total cannot meet all expenses. Please search your heart and decide if you are able to increase your pledge or other giving above last year. The support of each of us continues the mission of our tiny church. It is one way we say THANK YOU for the blessings we continue to receive AND our greatest blessing – our Heavenly Father's gift of His Son for our eternal life.

2016 YEAR END FINANCES (December 31, 2016)

	Actual	Budgeted
Income	\$103,253.69	\$65,351.00
Expense	\$102,091.98	\$83,206.00
Difference	\$1,499.94	-\$17,855.00

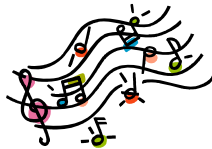

BUCKHORN CHURCH'S "COVENANT COMMITMENT" to Presbytery used to be called "per capita." With the longer new name comes a wider impact for the dollars we send to the Presbytery. Each church like ours gives a \$50 per-member amount to Presbytery. Presbytery then uses the money to support General Assembly, the Synod, and the Presbytery, which includes Highlands Camp. We are a "connectional church," which means that we – the churches together – **are** the Presbytery. For example, some of the per capita came back to us directly after the 2013 flood. So in a sense, we are giving the money to ourselves. If that is the case, how is this mission? **Our contributions make it possible for the Denomination to do its work and for our Synod and Presbytery to do theirs. The work of the church is mission!**

If you are able, you can help Buckhorn Church by making a special \$50 gift earmarked for "per capita" or "covenant commitment" sent to Treasurer Annette Manning at Buckhorn Church. Thank you for your support!

NEWS BRIEFS

OUR WINTER MISSION ACTIVITIES:

- The Heart-to-Heart Chili Lunch was held on Saturday, February 18. Savory chili, crisp salads and delicious desserts were served to 86 participants in the Fellowship Hall, followed by an enthusiastic gospel bluegrass musical performance and sing-along upstairs in the sanctuary. The event made \$710 to support local mission in the Buckhorn Valley!

- Deacons and Pastor Joseph continued to bring **COMMUNION TO SHUT-INS**. If you know of someone in the congregation or community who would appreciate a visit, please contact Deacon Moderator Gary Warner (970-667-1090) or Pastor Joseph (joseph.h.moore@gmail.com, 512-983-3329).
- Our Christmas Service was attended by about 125 of our friends and neighbors in the Buckhorn Valley and beyond. The *Joy Offering* of \$241 went to the Presbyterian Mission Agency for education and support of missionary clergy; the cash plate was sent to the *137 Homeless Connection* in Loveland.
- 874 lbs of food and 64 items of winter clothing on our Christmas Mitten Tree were donated last year to the Loveland House of Neighborly Service.

Despite our small size, Buckhorn Church has always had a big heart for helping others in our community and around the world!

HEARTFELT SYMPATHY is extended to the families and friends of:

- † **Terry Simpson**, who entered his heavenly home on December 25, 2016; and
- † **Helen Gibson**, who went to be with her Lord on January 22, 2017.

Please keep their loved ones in prayer.
