

## Worship Rooted in Tradition, Alive in Faith

**Worship by Zoom:** Zoom lets church members see and talk to each other, creating a sense of community that a one-way YouTube stream cannot match. You will be able to share prayer requests and join group responses. The private nature of Zoom creates a safe space where you can connect deeply with the Buckhorn Church family.

**Accessing Buckhorn's Zoom Worship:** You must have the [Zoom app](#) on your device. Please provide us with your contact information (970-667-2308, [buckhornpres@gmail.com](mailto:buckhornpres@gmail.com)). We will then send you the internet/phone logon to worship via Zoom.

**Sunday Worship Begins at 10:30AM:** Logging on 5-10 minutes early allows time to resolve any technical issues.

## About Worship at Buckhorn Church

**Bible-Based:** Our worship is Bible-based, supported by a rich tradition of music and fellowship that connects us across generations. We use the time-honored elements of worship – prayer, praise, confession, Scripture-based preaching, thanksgiving and commitment – to renew our hearts and minds each week.

**Friendly & Informal:** We don't do stiff or formal. We take time for one another – greeting neighbors, sharing heavy hearts through prayer requests, and celebrating the joyful milestones of our lives together.

**Centered on the Sacraments:** The sacraments are signs of God's promise and grace. We share Holy Communion at least once a month, keeping the feast commanded by Jesus until His return. We celebrate Holy Baptism with great joy whenever we have the opportunity to welcome new life into Christ's church.

**Gather to Serve:** Our goal is not just to gather, but to be equipped. Worship at Buckhorn Church prepares us to go back out into the world, ready to live out God's commandments and serve others with love.
